

## **INTELENET CENTRE LAUNCHED IN THANE**

Located on a 60,000 sq ft area with a total seating capacity of 1,237 seats to serve the domestic and international clientele, a delivery centre of Intelenet Global Services Pvt Ltd (Intelenet) was launched in Thane on Tuesday. The centre will provide the customer with lifecycle management, inbound customer services and collections across various verticals in the domestic segment and back office operations for the international leg of its business. Of the 1,237 seats, 923 seats will be utilised for Intelenet's domestic business and approximately 314 seats for its international business.
