

INTELENET GLOBAL

A THIRD PARTY BPO FIRM

WHY JOIN IT: Important for us to keep checking if we are benchmarking ok.

THE EXPERIENCE: We always knew that it wasn't always money and physical environment that made a great workplace. The study just helps validate that.

THE TAKEAWAY: I would want to see where we didn't do well and improve on those areas

CEO: "It's a workplace that works hard to keep its people happy by offering the right job, right salary, learning and growth avenues."

STAFF: Employees here can rest assured that company will do everything to further their careers.

ET: Stability at the top – 90% of top execs are over five year old – helps build a great workplace
