

## Intelnet acquires Upstream and Travelport

Intelnet Global Services Pvt Ltd on Monday announced that the company has acquired Upstream BPO and Travelport ISO for a total of \$ 75 million. Upstream, headquartered in the USA has delivery centres in USA as well as in Mauritius. The company has clients primarily in the travel as well as technology domain. Travelport ISO is based in India and it provides services to travel brands globally. Intelnet expects that with this acquisition the travel domain will contribute about 25% to the company's total revenue from 4% at present. Intelnet is also planning to expand in the telecom and retail sector.
